REPORT OF THE DAYTON C. E.

The young people of the Dayton Brethren met at their usual place of worship, Sunday evening, Jan. 7th for the purpose of organizing a Y. P. S. C. E. the attendance was very good and the following officers were elected for the coming year.

Pres., C. F. Miller, vice pres., Cora Lucas, sec., Edna Kimmell treas. Lulu Fitzgerald, cor. sec., Edna Kimmell.

We also organized with sixteen active members and five associate members. A good interest was manifested. The work has been successfully carried on with untiring zeal for which we feel thankful.

The Y. P. S. C. E. is a great benefit to the church and I would advise any church to try the plan adopted by the Endeavor to get the young people to active work in the church. It has worked well in our church—it has been the means here at Dayton of getting

the young members to work. I think that every church ought to give its young members a chance to work and if an endeavor is started with a good corps of officers it surely will be a success.

There is one thing that most churches have to contend with, and that is selfishness. If we would throw off all selfishness and back-biting, and try to become better Christians the work which the Master has given us to do could be done more earnestly and greater good could be accomplished. If all who have put on Christ would go to work with a little enthusiasm then would we become better.

It is also a great mistake when the churches will not encourage her young members in the work. Jesus said when he was on the earth, "go ye into all the world and preach the Gospel to every creature and he that believeth and is baptized shall be saved." Yours for the world's salvation.

HAS BEEN SICK.

COLUMBIANA, O., May 26, '94.

DEAR EVANGELIST:—I am just recovering from an attack of measles. Was real sick. But the Lord was pleased to spare my life a little longer. I felt very thankful that I was permitted to recover as my daughter is so far away, and it would have been so sad for her to come home and find no mother to welcome her back. May God's blessings rest upon us all. Your sister.

ONE MORE BRETHREN CHURCH.

Elder P. J. Brown and the writer met the brethren and sisters of the Home Mission post near Sterling, at the home of Bro. D. L. King on the 19th inst. in business meeting and assisted them in organizing a new church, by choosing two deacons, clerk and treasurer. The choice for deacons fell on Bro. D. L. King and Bro. J. W. Funk, who were duly installed by the laying on of hands and prayer. They then chose Wm. Kiefer as their pastor. Name of the church Zion's Hill.

AKRON, IND., May 21st, 1894.

Report from Burn's Chapel for April and May.

Bro. D. A. Hopkins holds forth the truth at this place, which is appreciated by all. No accession since last report, but interest good. We opened a Brethren Sunday school the 1st of April, while the attendance is not quite as large as we would wish, it is regular and interest good. We have no house of our own at this place, but we are making arrangements to either buy the house we occupy now, or build a new one. We shall, God willing, hold our semi-annual communion the 9th of June. Let us all continue in prayer for the cause of Christ.

6 ADDITIONS—A NEW PREACHING POINT.

SOUTH BEND, IND. May 24

Two additions here; one, by relation; one, by baptism. I held four meetings at the Jordan school house near Walkerton, Ind., and baptized four. This was a place our brethren had never preached. I was requested to hold some meetings for them which I did with the above result. Will preach for them every four weeks for a while.

I. N. MILLER.

The Australian Electro Pill remedy excels all others.

Dr. E. J. Worst,

Dear Sir, My son was entirely cured of Cattarrh in the head of 12 years standing. It was a very bad case and very offensive to be about. He nearly died with it. Our family Physician said he could do nothing for him.

I was often awakened at night by strangling and would go to his bed for fear of him strangling to death. He certainly would have died before now, if he had not had help from your Australian Pill remedy, which has entirely cured him.

I can recommend your treatment for Cattarrh in the head.
